RECYCLED PLASTIC VERSIONS (REPLAST)

EXAMPLE OF CONFIGURATION

2 benches with half backrest + 1 backless bench

- Modular bench which allows the endless linear disposition and together with Valencia planter allows forming corners.
- Available in 4 versions: backless bench, bench with half backrest (left or right) and bench with entire backrest.
- Available with two types of boards:
    a) Wood.
    b) RePlast-Recycled Plastic (does not require maintenance) **
        ** Version especially recommended for promenades, coastal areas or places with high exposure to saline corrosion.
- Structure made of 5 mm steel with anticorrosive primer rich in zinc and thermo-heating polyester powder coated finish.
- Seating area made of:
    a) Tropical wood protected by water-based "lassure".
    b) Recycled plastic from post-consumer plastic waste (RePlast).
- High versatility to adapt to different environments.
- These benches keep the aesthetic of the Valencia products: bench, planters, litter bins and ashtray.
- Can be fixed to the ground with 4 M8 expanding bolts (included).
- Easy installation and storage due to light weight.
- They are delivered assembled or disassembled according to the needs and requirements of the customer.
- Guaranteed reliability: this product has satisfactorily exceeded functionality and endurance tests under real environmental and usage conditions.

To process all your order, you must choose the corresponding model code.
