DETAIL

Metallic Plate to
Extinguish Cigarettes

- Robust and economic plastic litter bin with a bag dispenser for the collection of canine excrements
- Capacity of the bin: 50 litres
- Capacity of the dispenser: 100 plastic bags
- Collection system: Hinged inner ring bag holder joined to the body of the bin.
- Available in grey and green color.
- Metallic plate included to extinguish cigarettes
- A very visual and resistant adhesive is included to identify the residue
- Can be fixed to any vertical support (wall, posts, lampposts,...) by clamps (not included)
- Optional: anchored post and built-in post (clamps included)
- Litter bin made of plastic (polypropylene)
- Posts made of 1'5 and 5 mm cold rolled steel plates which have been hot dip galvanized. They include a thermo-heating polyester powder coated finish
- Dispenser made of 1'5 and 3 mm cold rolled steel plates which have been hot dip galvanized. It includes a zinc rich primer and a thermo-heating polyester powder coated finish
- Easy emptying system: our bins must be safe, ergonomic and clean. This bin has been designed and produced with an ergonomic and efficient emptying system which guarantees the extraction of the bag without risk of ripping.
- Plastic bags: this bin is compatible with standard bags available in the market. However, Cervic Environment have developed "Slim-fit" bags (tailor-made for our bins) which improve the performance and the aesthetic of the bins.
- Plastic bags for the dispenser are available (they are sold separately)
 - Measurements of the bags: 17 x 37 cm.
 - Thickness of the bags: 25 microns.
 - Quantity of bags: 50 packs of 10 bags each
- Accessories: anchored post and built-in post.
- Suitable to be used outdoor under normal weather conditions. In case of extreme weather conditions, such as high salinity, temperature or humidity, an additional special treatment can be included. Check extra cost and MOQ.
- Guaranteed reliability: this product has satisfactorily exceeded functionality and endurance tests under real environmental and usage conditions.
