Multi-Waste

- Bins can be combined to create large recycling stations.
- Capacity of 45, 65, 75 and 75 litres.
- Self-extinguishing certified, for versions with swing lid and smooth body.
- Collection systems:
    · Hinged inner ring bag holder with elastic band joined to the body of the bin.
    · Metal inner liner with elastic band to keep the bag in place (only capacities 75 and 95 litres).
- Available lids: open lid, swing lid, self-closing flap, sorting slot and confidential documents protected by lock (only capacity 95 litres).
- Hinged lid with waste identification included.
- Available bodies: smooth body and body with holes.
- Can be wall mounted with the wall-mounting kit (only capacities 65 and 95 litres).
- Adjustable height plastic feet are included.
- Can be fixed to the ground with 3 M8 expanding bolts (not included).
- Made of 1, 1’5 and 2 mm cold rolled steel plates which have been hot dip galvanized.
- It includes a thermo-heating polyester powder coated finish with a zinc rich primer on the lid.
- Optional: also available in Stainless Steel AISI 304 for the body and galvanized steel with a thermo-heating polyester powder coated finish for the lid (only capacities 75 and 95 litres).
- Easy emptying system: our bins must be safe, ergonomic and clean. This bin has been designed and produced with an ergonomic and efficient emptying system which guarantees the extraction of the bag without risk of ripping.
- Plastic bags: this bin is compatible with standard bags available in the market. However, Cervic Environment have developed "Slim-fit" bags (tailor-made for our bins) which improve the performance and the aesthetic of the bins.
- Accessories: ground anchor bolts kit and wall-mounting kit (only capacities 65 and 95 litres).
- Compatible products: Nice Multi-Waste recycling bin, wall-mounting Kaizen ashtray, wall-mounting Valencia ashtray and Can-Adapt bags dispenser.
- Suitable to be used indoor and outdoor under normal weather conditions. In case of extreme weather conditions, such as high salinity, temperature or humidity, an additional special treatment can be included. Check extra cost and MOQ.
- Guaranteed reliability: this product has satisfactorily exceeded functionality and endurance tests under real environmental and usage conditions.
