ACCESSORY

Double-sided backrest

- Double-sided bench that forms part of the Florence collection.
- Collection consisting of a Bench, Double bench, Chair, Table and Planter.
- Available with 3 types of boards for the seat and backrest area:
  1) Recycled plastic (mixed version made of metal and recycled plastic-RecyPlast)***
  2) WPC-Composite wood (mixed version made of metal and ecological composite wood).***
  3) Wood (mixed version made of metal and tropical wood).
  *** Ecological versions. Do not require maintenance. Highly resistant to adverse weather conditions. Especially recommended for promenades, coastal areas or places with high exposure to saline corrosion.
- The Double-side Florence bench does not originally include backrest. It can optionally be added as additional accessory.
- Accessory (optional): double-sided backrest.
- Can be anchored to the ground using M8 expansion bolts (included).
- Optional version available for built-in installation (consult minimum order requirement).
- Delivered assembled or disassembled.
- Structure made of pickled and galvanized steel with a thickness 2mm and 5mm finished with a zinc-rich anti-corrosive primer on the backrest and thermosetting polyester powder coating finish.
- Boards made of:
  a) Recycled plastic from post-consumer plastic waste (RecyPlast).
  c) WPC-Ecological composite wood from recycled vegetable waste and polymers.
  c) Tropical wood protected by water-based "lassure".
- Guaranteed reliability: this product has satisfactorily exceeded functionality and endurance tests under real environmental and usage conditions.
