RECYCLING STATIONS EXEMPLES

- Bin with 100 litres capacity.
- Available in 4 different finishes:
    1) Completely metallic with Oxiron finish.
    2) Completely metallic with Corten effect finish.
    3) Mixed version made of metal and tropical wood.
    4) Mixed version made of metal and RePlast (recycled plastic).
- Recycling version available, the residue to be deposited is identified on the body of the bin (placed in both sides of bin).
- Available in 2 emptying system options:
    · Upper emptying.
    · Side door.
- Collection system for bin with upper emptying
    · Metal inner liner with elastic band to keep the bag in place.
- Collection systems for bin with side door:
    · Inner ring bag holder with full extraction telescopic rails version, with elastic band to keep the bag in place.
    · Metal inner liner with elastic band to keep the bag in place.
- Hinged lid and side door protected by lock.
- Can be fixed to the ground with 4 M8 expanding bolts (included).
- Available with rainhood (with and without built-in ashtray).
- The metall parts are made of 1'5 and 3 mm galvanized steel and thermo-heating polyester powder coated finish.
- Boards made of:
    a) Tropical wood protected by water-based "lassure".
    b) Recycled plastic from post-consumer plastic waste (RePlast).
- Easy emptying system: our bins must be safe, ergonomic and clean. This bin has been designed and produced with an ergonomic and efficient emptying system which minimizes the risk of ripping of the bag in the extraction.
- Accesories: rainhood, rainhood with ashtray and rubber feets.
- These bins keep the aesthetic of the Valencia products: bench, planters, litter bins and ashtray.
- Guaranteed reliability: this product has satisfactorily exceeded functionality and endurance tests under real environmental and usage conditions.
- Suitable to be used indoor and outdoor under normal weather conditions. In case of extreme weather conditions, such as high salinity, temperature or humidity, an additional special treatment can be included. Check extra cost and MOQ.
