COMPATIBLE PRODUCTS

Kaizen ashtray 1 l.

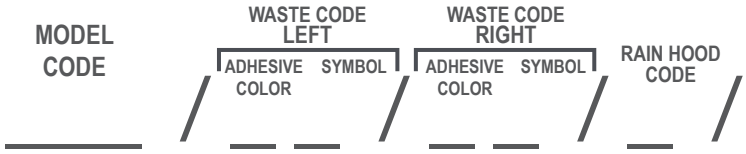

- Robust and stylized multi-waste bin
- Capacity of 100, 160 and 200 litres.
- Available for 2, 3 or 4 residues.
- Easy emptying system with separated inner compartments for each residue.
- Collection systems:
    · Hinged inner ring bag holder with elastic band joined to the body of the bin.
    · Metal inner liner with elastic band to keep the bag in place.
- Available lids: open lid and sorting slot
- Hinged lid with waste identification included.
- Lid protected by lock with an opening system which allows to put the bin against a wall.
- Double metal structure which gives greater strength.
- Side handles for ease of handling.
- Adjustable height plastic feet are included.
- Can be fixed to the ground with 4 M8 expanding bolts (not included).
- Made of 1, 1’5 and 3 mm cold rolled steel plates which have been hot dip galvanized.
- It includes a thermo-heating polyester powder coated finish with a zinc rich primer on the lid.
- Joint elements made of Stainless Steel.
- Optional: also available in Stainless Steel AISI 304 for the body and galvanized steel with a thermo-heating polyester powder coated finish for the lid.
- Easy emptying system: our bins must be safe, ergonomic and clean. This bin has been designed and produced with an ergonomic and efficient emptying system which guarantees the extraction of the bag without risk of ripping.
- Plastic bags: this bin is compatible with standard bags available in the market. However, Cervic Environment have developed “Slim-fit” bags (tailor-made for our bins) which improve the performance and the aesthetic of the bins.
- Accessories: frontal adhesives, rain hood, liquid retention trays, wheels kit and ground anchor bolts kit.
- Compatible products: wall-mounting Kaizen ashtray, wall-mounting Valencia ashtray and Can-Adapt bags dispenser.
- Suitable to be used indoor and outdoor under normal weather conditions. In case of extreme weather conditions, such as high salinity, temperature or humidity, an additional special treatment can be included. Check extra cost and MOQ.
- Guaranteed reliability: this product has satisfactorily exceeded functionality and endurance tests under real environmental and usage conditions.
