COLLECTION SYSTEM

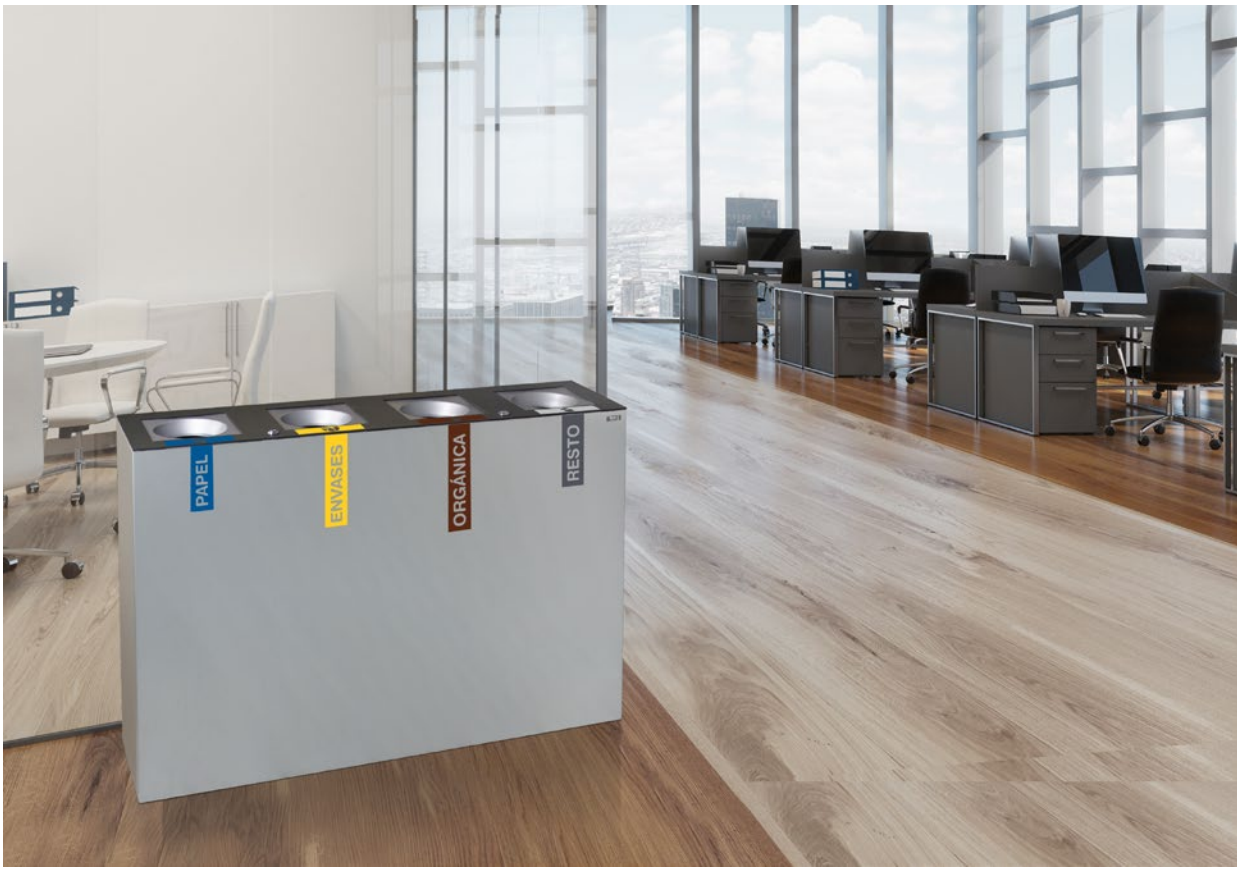

Inner ring bag holder

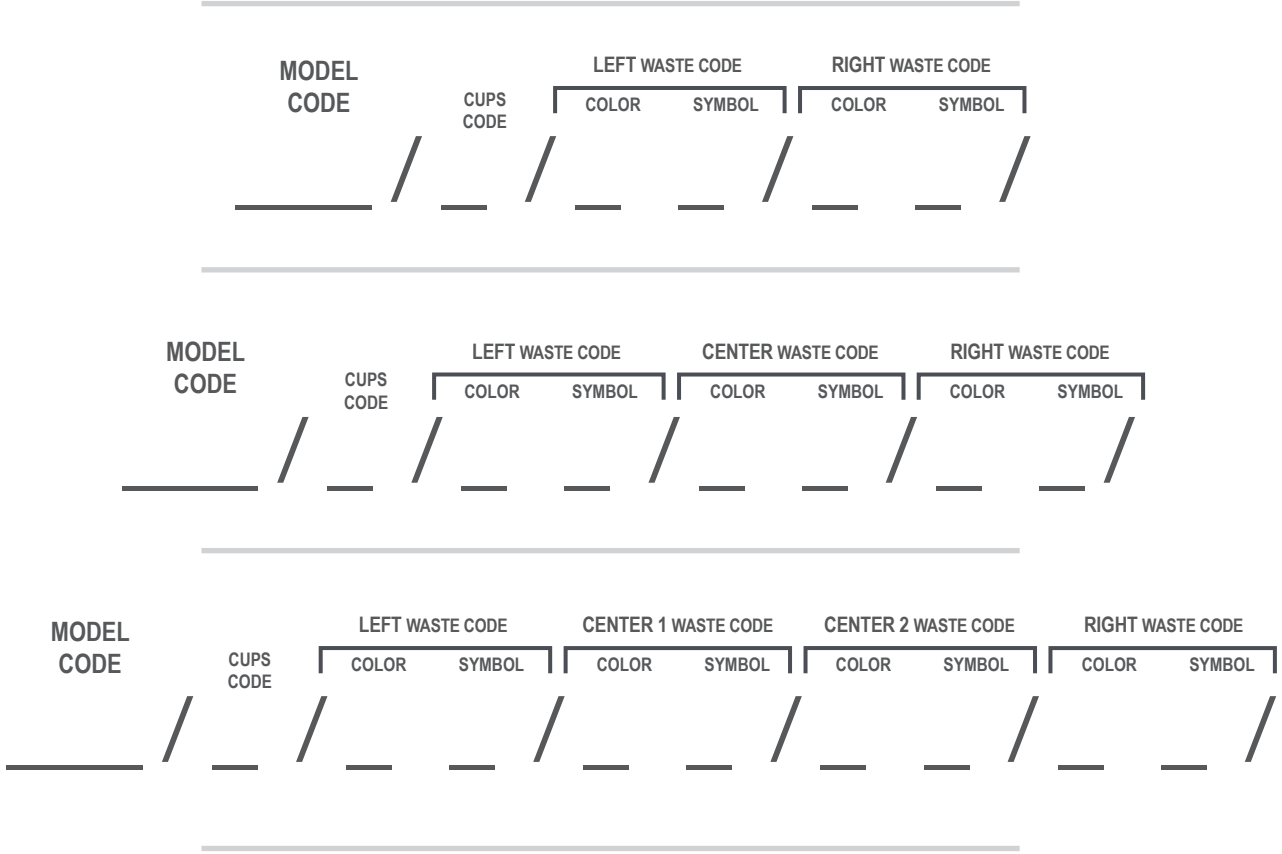

Metal inner liner

- Multiwaste bin with an excellent value for money
- Self-extinguishing certified, for versions with self-extinguishing lids
- Capacity of 120, 180 and 240 litres
- Available for 2, 3 or 4 residues.
- Collection systems:
    · Hinged inner ring bag holder joined to the body of the bin
    · Metal inner liner with elastic band to keep the bag in place.
- Available lids: open, self-closing flap and self-extinguish
- Hinged lid with waste identification included.
- Optional: accessory to storage the cups stacked
- Rubber feet included
- Can be fixed to the ground with M8 expanding bolts (not included).
- Made of 1 and 3 mm cold rolled steel plates which have been hot dip galvanized.
- It includes a thermo-heating polyester powder coated finish
- Hinges and inner ring bag holder made of zinc plated steel.
- Easy emptying system: our bins must be safe, ergonomic and clean. This bin has been designed and produced with an ergonomic and efficient emptying system which guarantees the extraction of the bag without risk of ripping.
- Plastic bags: this bin is compatible with standard bags available in the market. However, Cervic Environment have developed "Slim-fit" bags (tailor-made for our bins) which improve the performance and the aesthetic of the bins.
- Accessories: storage for stacking the cups, frontal waste adhesives, wheels kit and ground anchor bolts kit
- Suitable to be used indoor and outdoor under normal weather conditions. In case of extreme weather conditions, such as high salinity, temperature or humidity, an additional special treatment can be included. Check extra cost and MOQ.
- Guaranteed reliability: this product has satisfactorily exceeded functionality and endurance tests under real environmental and usage conditions.

To process your order, all the codes that create the detailed reference must be chosen.
