Detail of the opening and bag holder system 120L and 90L circular

Detail of the opening and bag holder system 90L semicircular

- Available in 90 and 120 litres circular and 90 litres semicircular (wall-mounted).
- Made of 1, 1’5, 2 and 3 mm cold rolled and hot dip galvanized steel plates and and 1,5 mm stretched deployée pregalvanized steel plates.
- Includes a thermo-heating polyester powder coated finish with and additional priming rich in zinc in the lid.
- Joint elements made of high resistance Stainless Steel.
- Easy emptying system: our bins must be safe, ergonomic and clean. This bin has been designed and produced with an ergonomic and efficient emptying system which guarantees the extraction of the bag without risk of ripping.
- Available with inner ring bag holder with an elastic band which keeps the bag in place. The inner ring is attached and jointed to the body.
- Plastic bags: this bin is compatible with standard bags available in the market. However, Cervic Environment have developed “Slim-fit” bags (tailor-made for our bins) which improve the performance and the aesthetic of the bins.
- Hinged lid with a safety lock.
- Available with roof. Only for the 90 and 120 litres circular versions.
- Available with built-in ashtray on the roof. Only for the 90 and 120 litres circular versions.
- The 90 litres semicircular version includes a safety locking with the lid opened.
- The 90 litres semicircular version can be anchored to the wall.
- Compatible products: Kaizen 1 litre ashtray, Valencia 2 litres ashtray and Can-Adapt bag dispenser.
- Can be fixed to the ground with 3 or 4 M8 expanding bolts according to the version (included).
- Guaranteed reliability: this product has satisfactorily exceeded functionality and endurance tests under real environmental and usage conditions.
- Suitable to be used indoor and outdoor under normal weather conditions. In case of extreme weather conditions, such as high salinity, temperature or humidity, an additional special treatment can be included. Check extra cost and MOQ.
